HI THERE.

I am a punctual and driven individual who can operate in a quicker workplace while maintaining high level of quality. I am a great team player who can accept orders from all levels and form positive working connections with all of my coworkers. I am adaptable, reliable, and have good time management abilities.

EDUCATION.

February - 2022 - In progress

Los Angeles City College

Los Angeles, California - USA

Associate's degree in Computer Science

September - 2019

Dhaka Polytechnic Institute

Dhaka, Bangladesh

Diploma in Computer Science

WORK EXPERIENCE.

Digital Marketing Trainer

at ICT Ministry of Bangladesh — 2020 - 2021

I was employed as a Digital Marketing Instructor in a groundbreaking project of the Government of Bangladesh. Where we have successfully trained more than 1500 students on digital marketing.

Influencer Marketing Specialist

at Lyricz Fashion — 2020

I have been a social media marketing expert in lyrics fashion for a long time. Where we basically used digital platforms to promote our products and most of them were paid marketing.

CERTIFICATION AND AWARDS.

NASA Space Apps Challenge champion

NASA
